NSC Defensive Driving Course 10TH EDITION

This certifies that the person named above has
successfully completed the National Safety Council Defensive Driving Course.

THIS DOCUMENT IS VOID IF REPRODUCED

Understand the risks of distracted driving

- Talking on your cell phone, reading e-mail, putting on makeup or sending text messages are all examples of high-risk distracted driving
- People who use cell phones while driving are 4 times as likely to be in a crash
- More than 30 scientific studies agree that hands-free cell phones are not any safer to use when driving
